HE-MAN & SHE-RA

(tous les noms propres en majuscules sont à vérifier et tous les "inaudibles" sont indiqués)

ROI

It's a happy time for us, dear MARLINA!

REINE

Just think: this will be the first time the twins are together to celebrate their birthday with all our family! Adora's friends even came from far off ETHERIA. And they're all helping to decorate!

FEMME PRES DE LA FENETRE

Oh, PERFUMA, thank you! They're beautiful!

FILLE

A little higher, FLUTTERINA!

PERFUMA

How's this?

HOMME PAR TERRE

I think purple would look good up there PEEK-A-BLUE. Try it!

ROI

What a celebration! The preparations have been going on for days!

REINE

You know it reminds me of how we used to get ready for Christmas at this time of year.

ROI

Christmas? What's that? An Earth holiday?

REINE

A very special Earth holiday.

I wonder where ADAM and MAN-AT-ARMS are?

HOMME A GAUCHE (ADAM)

Shouldn't we be helping with the decorations?

HOMME AVEC CASQUE (DUNCAN)

In a minute! We're almost finished here!

You know, if it works, this little Sky-Spy will give us a complete picture of SKELETOR's every move.

LUTIN (ORCHO)

Interesting! I think I'll take a look!

Uhhh, but.... How do I get inside? Aha!!!

Vrommm! Vrommm!

HOMME AVEC CASQUE - DUNCAN

Alright Adam, I think we're in good shape for tomorrow's flight!

LUTIN (ORCHO)

All systems on!

ADAM

What happened!

LUTIN (ORCHO)

What did I do?

HOMME AVEC CASQUE - DUNCAN

Switch off the rockets!

ADAM

I can't! The controls won't work!

LUTIN (ORCHO)

Something tells me I'm in big trouble!

A CHRISTMAS SPECIAL

GENERIQUE

(cartons divers)

HOMME AVEC CAJOUL (SKELETOR)

That ship! What is it?

VOIX OFF

That's... that's a meteor!

TETE DROITE

A meteor! You better have your eyes checked, you lame-brain!

TETE GAUCHE

Yeah, watch it MOTOR MOUTH!

SKELETOR

Enough (INAUDIBLE)! Get that ship before it escapes or I'll put both your heads in orbit!

PREMIERE VOIX OFF

Left it is, Sir!

DEUXIEME VOIX OFF

To the right! Yes, Sir, SKELETOR!

PREMIERE VOIX OFF

Left!

DEUXIEME VOIX OFF

Right!

LUTIN (ORCHO)

Oh no! It's the KLCOPTER! And it's chasing me!

SOEUR D'ADAM

What's happening?

ADAM

The Sky-Spy suddenly took off by itself!

HOMME AVEC CASQUE - DUNCAN

Look! SKELETOR's going after the Sky-Spy!

ADAM

Then HE-MAN's going after SKELETOR!

By the power of GREY SKULL!

I AM THE POWER!!!

SOEUR D'ADAM

I've got a feeling my brother may need some help!

VOIX OFF (SKELETOR)

Get it! Scoop it up!

HE-MAN

You're trying to grab more than you can handle!

TETE GAUCHE

Yeah... I've almost got it!

TETE DROITE

You've almost got it?!! I almost got it!!!

LUTIN (ORCHO)

Oh, noooooo!!!

HE-MAN

You know what? These claws need a manicure!

SKELETOR

Fools! What is it? What's happened?

TETE GAUCHE

Ma... ma... Master! It's... it's.... HE-MAN!

TETE DROITE

Quiet! He'll hear us!

HE-MAN

There we are! Claws to paws!

SKELETOR

Use the Force Belt! Don't let him get away with it!

LES DEUX TETES

No, Master!

HE-MAN

- The Force Belt, huh?.

- Uh, oh! There are too many of these things!

SHE-RA

Looks like you need a hand, brother!

HE-MAN

Sis! Just in time! As usual!

SHE-RA

Let's get a little fresh air in here!

HE-MAN

Ready? One!... Two!... THREE!!!

LUTIN (ORCHO)

Hmmm? How can I get this thing down? Or should I try a spell? Why not! Sky-Spy Sky-Spy, skipidy-skate, get me down to someplace safe! Oh no! Now what did I do?

HE-MAN

The Sky-Spy! It's spinning off into space!

SKELETOR

They're getting away! What are you doing, RAT-CLAW?

RAT-CLAW

HE-MAN... ruined... our controls!

CREATURE A DROITE

The AUTOMATIC pilot: IT is TAKING us BACK to SNAKE Mountain!

SKELETOR

What? Then take this!

CREATURE A DROITE

I don't NEED a PARACHUTE!

SKELETOR

That's what you think!

SHE-RA

I'm afraid we've lost your Sky-Spy!

HE-MAN

Well, it's a good thing nobody's in it!

LUTIN (ORCHO)

I never should have gotten into this thing! And nobody even knows I'm here!

HE-MAN

I can't understand how the ship just took off by itself!

DUNCAN

Maybe this Finder Beam can locate it?

LUTIN (ORCHO)

- Woo, it's slowing down! Boy, am I glad! Back home again! Hey! That doesn't look like ETERNIA... Oh... oh... oh... We're going in!

- Ye... Ye.... Ye...Yaie!!!

- Shoo! That was close! I guess I should have fastened my seat belt!

- Oh!... Brrr!!!... Where am I? This place is fre... fre... freezing!

VOIX OFF

Help! Help!

LUTIN (ORCHO)

Somebody's in trouble! I'd better take a look!

VOIX OFF

Look out!

LUTIN (ORCHO)

Oh my gosh! They'll be buried by an avalanche! Now which spell can I used? Oh! Little children up and away! Play in the snow and never (INAUDIBLE)! Please work!

GARCON

- What's happening to us?

- Hey! Put us down!

LUTIN (ORCHO)

- No, no! Don't say that!

- No, too late! You broke the spell! And what are you doing out here alone in the snow, anyway?

GARCON

Getting a Christmas tree!

LUTIN (ORCHO)

A what?

FILLE

A Christmas tree! Until we got lost!

LUTIN (ORCHO)

Ah, there, there! You're not really lost! You found me, didn't ya?

FILLE

Found you?

LUTIN (ORCHO)

Yeah! I'm the one who's lost! My ship crashed just over that hill. Come on, I'll show ya and maybe we can find a way to get ya safely home to your parents!

DUNCAN

I'll have the Finder activated in just a...

VOIX OFF, PUIS ON (FEMME AU CENTRE)

Duncan! Adam! We've got a serious problem!

ADAM

What is it?

FEMME A DROITE

It's ORCHO! He's missing!

ADAM

Missing?

FEMME AU CENTRE

Yes, and we just found his magic-book outside.

ADAM

Where?

FEMME AU CENTRE

Near the launch-pad!

DUNCAN

The launch-pad!

ADAM

Ah, oh! He must have stowed away in the Sky-Spy!

DUNCAN

Yes! And accidently switched on the rockets! We've got to find him!

GARCON (off)

What's that!

FILLE

It's a flying-saucer!

LUTIN (ORCHO)

- Nah, it's just a Sky-Spy! C'mon, let's go inside and warm up!

- You said you were looking for a "Prismas" tree? What's that?

GARCON

First of all, it's a "Prismas"... No! I mean it's not a "Prismas" tree, it's a Christmas tree! And it's to celebrate Christmas!

LUTIN (ORCHO)

Oh... What's Christmas?

GARCON

Everybody knows what Christmas is!

LUTIN (ORCHO)

I don't!

FILLE

When you get lots of presents!

LUTIN (ORCHO)

Presents! Hey, I think I like Christmas!

GARCON

Well, presents are part of it... But it's also a time when everybody thinks about peace and goodwill towards men.

FILLE

That's what the Angel said!

LUTIN (ORCHO)

Angel? Now I'm really getting confused!

GARCON

No, it's not confusing! Not at all! Listen, if you really don't know about Christmas, we'll tell you the whole story... A long, long time ago...

VOIX OFF (DUNCAN)

I've got it! Here's where the Sky-Spy landed!

FEMME AVEC COURONNE

Why, those are Earth coordinates! ORCHO's landed on Earth!

FEMME. (Tila)

Are you saying that we'll never get ORCHO back?

DUNCAN

No, TILA! My transport beam might do it. The problem is it needs a KARIUM water crystal to power it and there are none here on ETERNIA!

FEMME A GAUCHE

But maybe on ETHERIA...

DUNCAN

It's possible...

FEMME A GAUCHE

Well, if it's in the water, MAMISTA would know about it!

ADAM

Well, can you have SHE-RA contact her?

FEMME A GAUCHE

I think that can be arranged!

FILLE

... and the Three Wise Men followed the Star until they finally reached Bethlehem!

LUTIN (ORCHO)

Ah, what a beautiful story! But what about the gifts? Ya said there were gifts at Christmas!

FILLE

That's the fun part!

GARCON

Let's tell him about Santa Claus!

FILLE

I'll tell him!

ADAM

Are you sure you don't want me to come along, Sis?

SOEUR D'ADAM

No, Adam... if something happens to me, you'll be needed here.

ADAM .

Well, just be sure that nothing happens to you! You're my favorite sister!

SOEUR D'ADAM

For the honor of GREYSTONE! (INAUDIBLE)

VOIX QUI CHANTENT

She-Ra! She-Ra!

SOEUR D'ADAM

I am She-Ra!

VOIX QUI CHANTENT

She-Ra! She-Ra!

FILLE

On Christmas Eve, Santa hitches up his reindeer and flies all over the world bringing presents to boys and girls!

LUTIN (ORCHO)

Presents! I think I like this Santa! Can I meet him?

FILLE

Oh, no! He only brings presents when you're asleep!

LUTIN (ORCHO)

When you're asleep!?! Well, just as long as he brings them!... Tell me about Dingle Bell?

FILLE

You mean, Jingles Bell! I mean, Jingle Bells!

VOIX QUI CHANTENT

She-Ra!

VOIX OFF (SHE-RA)

And if we don't find one, there's no way to get ORCHO back.

SIRENE (MAMISTA)

A water crystal... Yes! I know where one is, SHE-RA! But it will not be easy to get! It lies in a deep pool - near the old ruins. And it's guarded by the BEAST-MONSTER.

SHE-RA

The BEAST-MONSTER is real? I thought it was just a legend...

SIRENE (MAMISTA)

The BEAST-MONSTER is no legend, SHE-RA! It exists and is very dangerous!

SHE-RA

But if we work together!...

SIRENE (MAMISTA)

Good idea! Meet me at the ruin. If you can keep the creature out of the pool long enough, I'll find the water crystal for you!

SHE-RA

- Thanks, MAMISTA!

- Ride SWIFT WIND!

- So this is the pool of the Beast-Monster... Huh! Doesn't look as though anyone's home! Uh oh! Someone's home! The Beast-Monster!

SIRENE (MAMISTA)

Keep him busy as long as you can, SHE-RA!

SHE-RA

- I'll do my best!

- SWIFTY!

- Those ruins won't hold him long! Now, where's MAMISTA?

SIRENE (MAMISTA)

I've found it!

SHE-RA

Thanks, MAMISTA!

SIRENE (MAMISTA)

I'm always happy to help! Good luck! I hope it brings ORCHO back!

SHE-RA

We could never have found it without MAMISTA!

CHEVAL

What's that?

SHE-RA

I don't know! But it looks as though we've found something else too!

CHEVAL

What are they?

SHE-RA

- Some kind of sensors, I think...

- It's a robot!... Well, SWIFTY, now we have to pass those things to get the crystal back to MAN-AT-ARMS!

- Watch it, SWIFTY!

ROBOT

(INAUDIBLE)... We must go to MONSTROID CENTER and prepare for battle!

CHEVAL

They're changing into other forms! What evil robots!

SHE-RA

- Very evil! And very dangerous! They're called the MONSTROIDS! Our little friends, The MANCHINES, once told me about them!

- I'm afraid we haven't see the last of these evil things!... Now, let's get out of here! Sword, to blaze! Better stand back, SWIFTY! It's going to get a little warm!

- Now let's get the crystal back to MAN-AT-ARMS!

DUNCAN

Even if the crystal works, we'll need help from ORCHO! I hope he remembers to stand in the light! It's working! Now it's up to ORCHO!

ENFANTS

Jingle Bells! Jingle Bells! Jingle Bells!

GARCON

What's that?

LUTIN (ORCHO)

I don't know!

FILLE

I'm afraid!

LUTIN (ORCHO)

Wait! MAN-AT-ARMS has a transport beam. Now what did he tell me? Stand in the light!

FILLE

ORCHO!

LUTIN (ORCHO)

Don't be scared, ELISHA! I think I know what it is... I hope! All we have to do is hold hands and move over there!

SOEUR D'ADAM

Where is he?

ADAM

There he is!... No, there they are!

SOEUR D'ADAM

ORCHO!

ADAM

Who are your friends?

LUTIN (ORCHO)

This is ELISHA and MIGUEL!

SOEUR D'ADAM

We're so glad you're safe!... But what happened?

LUTIN (ORCHO)

It's a long story and it all started when I got into the Sky-Spy!...

VOIX OFF

There is a great disturbance! A new spirit of goodness has arrived on ETERNIA! The power of HORDE CRIME may be wrecked. Send for SKELETOR and HORDACK! Immediately!

LUTIN (ORCHO)

So that's the story! And here we are!

REINE

Well, I can't believe it! You really crash-landed on Earth!

FILLE

Will we be home in time for Christmas?

REINE

I'm not sure... Duncan?

DUNCAN

I can't be sure... it may take a few days to recharge the water crystal...

FILLE

But then we'll miss Christmas!

REINE

I've got an idea! Christmas isn't for several days yet, but the twins' birthday is tomorrow... Why don't we combine their birthday celebration with a big, BIG Christmas party!

FILLE

That would be fine! But what about Santa? Will he be able to find us?

REINE

Of course, ELISHA! Now, don't worry!

ADAM

Who's Santa?

LUTIN (ORCHO)

Who's Santa!!! You don't know who Santa is? I can't believe it! Everybody knows who Santa is!

RIRES

VOIX OFF

The arrival of this spirit of Christmas on ETERNIA may threaten my war plan... (TRES INAUDIBLE) and brotherhood on that planet! Find it and crush it!

CREATURE A DROITE

Have no fear, Great Master! I will eliminate this... this Christmas spirit before another day has passed!

SKELETOR

You! You can't even handle that muscle-bound female, SHE-RA!

CREATURE A DROITE

Just a minute! What about the way HE-MAN handles you, bone-brain!

SKELETOR

Bone-brain! Why, you miserable excuse for a villain!

GREAT MASTER

Silence! Stop wasting my time! Whoever eliminates the spirit of Christmas on ETERNIA will be well rewarded!

SKELETOR

That's me!

CREATURE A DROITE

We'll see about that!

ADAM

Well, ELISHA, how do you like it here on ETERNIA?

FILLE

Everybody here is nice, but I miss Mom and Dad!

PERFUMA

Oh, don't be sad children, you'll be home soon, and until then, I'll make it seem like Springtime!

GARCON

No, PERFUMA, Christmas is in the winter!

PERFUMA

Winter? No sooner said than done!

FILLE

PERFUMA! That's wonderful!

ADAM

We've got just the right setting for my new Christmas song! Let's try it!

ENFANTS QUI CHANTENT

Love and caring
Peaceful Christmas
Joys of sharing
Happiness
Christmas spirit's in the air
ETERNIA and everywhere
Don't you feel it?
Feel that you're a part?
Christmas season is a time
of your heart!

RIRES

GARCON

Now, that's the Christmas spirit!

VOIX OFF

There they are! Get the Tractor Beam ready!

LUTIN (ORCHO)

It's HORDACK! Run!

ENFANTS

Help! Help!

LUTIN (ORCHO)

Hey, put them down! You'll be sorry! Wait until HE-MAN and SHE-RA find out! You won't get away with this!

FEMME CHAT

We've got them, Master!

MASTER

Good! Take us back to ETHERIA, CATHRA!

HOMME A GAUCHE

We couldn't get to ORCHO and the children! HORDACK was too quick with his Freeze Beam!

ADAM

Well, were you able to track him?

DUNCAN

Yes, in the beginning... but HORDACK was taking them to ETHERIA!... I don't know where they are now!

ADAM

Well, the first thing we have to do is find them!

SOEUR D'ADAM

Right, let's check with PEEK-A-BLUE! Maybe her multi-vision can help find the children...

VOIX DE GENERIQUE

SHE-RA!

FEMME CHAT

Oh, the MONSTROIDS, we'd better get out of here!

VOIX OFF

What's going on?

HORDACK

What did you stop us? These prisoners are being delivered to HORDE CRIME (INAUDIBLE)!

ROBOT GEANT

The prisoners stay here! You may go!

HORDACK

You don't think I'd leave them here!?

ROBOT GEANT

- I don't care what you think!

- You have 10 seconds to gather your beast companions and depart!

HORDACK

What! No bucket of bolts is going to push HORDACK around!

ROBOT GEANT

Ten... nine... eight... seven...

HORDACK

Uh... on the other hand, I do have some urgent business elsewhere!... Just wait until HORDE CRIME hears about this!

ROBOT GEANT

Put the creatures in prison!... When HORDE CRIME comes for them, we will be ready!

VOIX OFF

As you command, Number One!

VOIX DE GENERIQUE

SHE-RA!

SHE-RA

We know the children are in the Fright Zone, but we don't know where!

FEMME SUR TRONE (PEEK-A-BLUE)

I'll try to help!... I see them! They've been captured by the MONSTROIDS!

SHE-RA

I knew we'd have trouble with them again!

PEEK-A-BLUE

Yes! But the Little Robot people have gone to rescue the children!

SHE-RA

Robot People? You mean the MANCHINES?

PEEK-A-BLUE

Exactly! And they'll need help! The MONSTROIDS are very powerful!

HE-MAN

Don't worry, PEEK-A-BLUE! We'll cut them down to size! Let's go, Sis!

VOIX DE GENERIQUE

HE-MAN!

LUTIN (ORCHO)

This is a pretty mess! And it's all my fault!

FILLE

No it isn't, ORCHO! You were trying to help us!

LUTIN (ORCHO)

Well, I didn't do a very good job!...

CUTTER

Hello!

TOUS LES TROIS

Who are you?

CUTTER

My name's CUTTER! What's yours?

LUTIN (ORCHO)

I'm ORCHO! And this is ELISHA and MIGUEL! But... but how did you know that we were here?

CUTTER

We're the MANCHINES! The MONSTROIDS are our enemies! C'mon, let's get you out of there!

GARCON

But how? The window's got bars!

CUTTER

They don't call me CUTTER for nothing! Watch!

GARCON

Oh, wow!

CUTTER

Climb out, quickly! My cousin's waiting!

LUTIN (ORCHO)

Who?

CUTTER

My cousin! Here he comes now!

LUTIN (ORCHO) - OFF

Boy! He's fast!

CUTTER

They don't call him ZIPPER for nothing!

ZIPPER

- ZIPPER! There's a MONSTROID just around the corner!

- Here we go!!!

- Wow! Hang on!

- Don't worry! He can't keep up with me! Watch this!

- Wee! Wah!

ROBOT GEANT

Grab them!

LUTIN (ORCHO)

I think we've got a problem!...

ROBOT GEANT

Put them back in the cells! And the MANCHINES with them!

HE-MAN

You're pretty good at giving orders, Metal-Mouth, now let's see how good you are at taking them! Move away from my friends!

LUTIN (ORCHO)

It's HE-MAN!

ROBOT. GEANT

Seize him!

HE-MAN

- Keep your claws to yourself!
- Sorry to get you all tied up!

ROBOT GEANT

(PHRASE TRES INAUDIBLE) The human creature is alive...
teach him a lesson!...

SHE-RA

- I think you need a lesson in adding, Iron-Head!...
Sword! To lasso!
- Clumsy, clumsy, clumsy!

HE-MAN

What works for my Sister works for me!

ROBOT GEANT

MONSTROIDS! MONSTROIDS! Attack the intruders!

CUTTER

ZIPPER, we'd better call our cousins! HE-MAN and SHE-RA
need help!

ZIPPER

Right!

CUTTER

ORCHO! Why don't you find a safe spot for the children!

LUTIN (ORCHO)

Right!

HE-MAN

The odds look a bit uneven!

CUTTER

Oh, no they don't, HE-MAN!

SHE-RA

It's CUTTER! And the MANCHINES!

HE-MAN

C'mon, CUTTER! We'll send the MONSTROIDS back to the
junk-yard!

CUTTER

Right where they belong!

HE-MAN

Let's get to work!

VOIX GENERIQUE

HE-MAN!

FILLE

Oh, look! A MANCHINE puppy! He's so cute!

SKELETOR

Ah, there they are! HORDE CRIME will reward me richly if I deliver those two Earth children!

GARCON

What?

SKELETOR

Got you at last, you troublesome tots!

LUTIN (ORCHO)

Let them go!

HE-MAN

Well, the bigger they are, the harder they fall!

CUTTER

Thanks for your help! We...

LUTIN (ORCHO) - OFF

HE-MAN! SHE-RA!

SHE-RA

Look!

LUTIN (ORCHO)

SKELETOR's taken the kids!

SHE-RA

- We'll see about that!

- SWIFT WIND!

SKELETOR

- Oh no you don't, SHE-RA!

- Hah! Hah! Hah! I've done it! I've captured the two Earthlings! Now nothing can stop me from delivering them to HORDE CRIME!

HORDACK

Don't be so sure, bone-head!

SKELETOR

What? It's HORDACK! Drat him! He wants the reward himself!... Well, I'll soon take care of him!

HORDACK

Stop! Now that skull-faced scoundrel has damaged my ship! Now I'll have to turn back!... But first I'll make sure that he doesn't go anywhere!

SKELETOR

No!!! We're going down! I'll get you for that, HORDACK!... We'll have to crash-land in that snow!

SHE-RA

SWIFT WIND, are you alright?

CHEVAL

Yes, but where are the children?

SHE-RA

SKELETOR got away with them!... But don't worry, now that you're free, we'll get them back! Let's go, Brother!

SKELETOR

Drat that HORDACK, he'll be back with reinforcements! Well, we won't be here! Get moving you two! We have a long walk ahead of us!

GARCON

I... I... don't th... think... we can mo... mo... move!

FILLE

It's awfully co... co... cold!

SKELETOR

I said move! Move it!!!

GARCON

Please, Mister! Be nice! It's Christmas time!

SKELETOR

Christmas time? What's that?

GARCON

It's a season of love and joy!

FILLE

And caring!

SKELETOR

Bah! Is that what Christmas is! No wonder HORDE CRIME wants to get rid of it! A season of love! Caring! Joy! Ugh!!! What a disgusting idea! Well, there's no Christmas spirit here! Now, get moving you two before HORDACK comes back!

GARCON

I... I'm sorry, Mister! But, but we're so cold!...

SKELETOR

So you're cold!... Oh, blast it!

FILLE

Oh, I'm warm again! Thank you, Mr. SKELETOR, you're very kind!

SKELETOR

Kind! Never use that word around me! Now, get moving!

FILLE

Oh! Wait! I have to get RELAY!

SKELETOR

No! Leave him!

FILLE

But he'll freeze! We have to!

SKELETOR

I said LEAVE HIM!!! Now move!

FILLE

Please!

SKELETOR

Oh, blast it! I don't know what's coming over me! But whatever it is, I don't like it! Oh, stop licking my face, you dratted dog, get away from me! You're drowning me! Get off!

FILLE

It was nice of you to save RELAY, Mr. SKELETOR!

SKELETOR

I am not nice! Oh, stop that!

FILLE

You want me to hold him?

SKELETOR

No, no, no... we'll go faster if I carry him! Tell me more about this... this Christmas!

GARCON

Well, it's a wonderful time of the year! Everyone has a lots of fun!

SKELETOR

You mean they get in fights?

GARCON

No, no! They have fun!

SKELETOR

Fights are fun! I like fights!

GARCON

And you give each other presents!

SKELETOR

And when you open them, they explode, right?

GARCON

No! They're nice gifts!

SKELETOR

- Nice! Doesn't sound like much fun to me!

- A Snow-Beast!

- Quick, get behind me!

- So much for the Snow-Beast!

FILLE

Oh, thank you Mr. SKELETOR! You saved us! You really are wonderful!

SKELETOR

Listen! I am not nice! I am not kind! And I am not wonderful! And I am still delivering you to HORDE CRIME!

VOIX OFF

There they are!

GARCON

Please Mr. SKELETOR, we don't want to be taken by HORDE CRIME! Please don't!

HE-MAN

Let'em go, bone-face!

SKELETOR

SHE-RA and HE-MAN! Drat!

HE-MAN

We'll take those children!

VOIX OFF

No! I'll take those children!

SKELETOR

HORDACK! Double drat!

HORDACK

That's right, SKELETOR! I figured you'd show up here!

HE-MAN

When you two are finished, we'll take the children!

HORDACK

Now hand them over! HORDE CRIME will know who's Number One!

SKELETOR

They're mine, HORDACK!

HORDACK

- Good aim! You hit yourself!

- Now I'll take those goody-goods!

HE-MAN

Not if we can help it, HORDACK!

SHE-RA

Better get back, children! ORCHO, go with them!

LUTIN (ORCHO)

Right!

HE-MAN

You're not delivering them to HORDE CRIME!

HORDACK

Forget it, HE-MAN! The little fools are delivering themselves to HORDE CRIME!

GARCON

What... what is it?

LUTIN (ORCHO)

It's... HORDE CRIME!

HE-MAN

C'mon on, SHE-RA, we must stop him!

HORDACK

Robots! Get them!

HE-MAN

Hang on, ORCHO!

SHE-RA

We're on our way!

VOIX EN DESSOUS LE TAS

That's enough for me!

SHE-RA

Here, catch, Brother!

HE-MAN

Thanks, Sis!

SHE-RA

Good work, Brother, now let's get the children! Uh, oh!

HORDACK

Too late, SHE-RA, HORDE CRIME's got them!

SKELETOR

What? What? What? I don't know what's happening to me!
But I must save the children!

VOIX OFF

Look out! That SKELETOR's hit my engines!

HE-MAN

HORDE CRIME's ship is down! Let's go, SHE-RA!

SKELETOR

I think HORDE CRIME's going to be angry with me!

HORDE CRIME

You have made me angry, SKELETOR! Very angry, indeed!

SHE-RA

Quickly, HE-MAN! Let's send this trouble-maker back home!

HE-MAN

Right you are, SHE-RA! Ready?

HE-MAN & SHE-RA

Heave!!!

HORDE CRIME (off)

No!!! Blast! Blast! Blast! Blast!

HE-MAN

There! That'll take care of HORDE CRIME for a while!

ENFANTS

SKELETOR! SKELETOR! (INAUDIBLE) Thanks so much! He saved
us!

HE-MAN

He... saved... you???

SKELETOR

Yes... I... I guess I did... I wish I knew why?... Oh...
I don't think I feel well!...

HE-MAN

Well, I think you're feeling the Christmas spirit,
SKELETOR!... It makes you feel... good!

SKELETOR

Well, don't like to feel good! I like to feel evil!
Ohhh...

SHE-RA

Don't worry, SKELETOR... Christmas only comes once a
year!

SKELETOR

Thank goodness!

RIRES

SANTA

Ho! Ho! Ho! Here! A flying belt for each of you!

FILLE

Oh, thank you, Santa!

ADORA

It's too bad you can't stay for the party, but I'm sure
your parents miss you very much!

GARCON

We miss them too! But MAN-AT-ARMS says will be home soon!

DUNCAN

That's right, MIGUEL! You'll be home right in time to
hang up your stocking! Ready to go?

FILLE

- Wait! RELAY! Go to ADORA!

- Will you make sure that RELAY gets back to the
MANCHINES, ADORA?

ADORA

Of course, ELISHA! And, Merry Christmas!

ENFANTS

Merry Christmas, everyone! And thank you! -

MERE

Oh, thank heavens you're back! We were so worried!

GARCON

Oh, Mother! Father! It was great! We went to another
planet and...

MERE

Oh, MIGUEL! Don't make up stories! Tomorrow you can tell us where you really were! We're just glad to have you home safe!

FILLE

But we did go to another planet, Mom! Honest! And we met ORCHO and Santa Claus gave us these flying belts!

PERE

Now, now, now, ELISHA! I don't know where you got those... those things... whatever they are, but it is bedtime!

GARCON

OK, Father.

ENFANTS

Goodnight! And Merry Christmas!

SANTA

Ho! Ho! Ho! Merry Christmas, young lady!

ADORA

Merry Christmas... Brother!

ADAM

Oh... you knew it was me all the time, didn't you?

ADORA

Ah, huh!

ADAM

Well, Merry Christmas, Sis!

LUTIN (ORCHO)

Merry Christmas, everybody!

ADAM

So that's how Christmas first came to ETERNIA. Not everyone celebrates Christmas, but the spirit of the Christmas season is within us all! It's a season of love, and joy, and caring!

LUTIN (ORCHO)

And presents!

ADAM

Presents are nice, ORCHO, but Christmas means much more than that!

LUTIN (ORCHO)

I know, ADAM! Christmas is a time of peace, and caring and happiness!

ADAM

That's right, ORCHO! And what would make you happiest this Christmas?

LUTIN (ORCHO)

Presents!

ADAM

Oh, ORCHO!
